

In-store music videos

Expert solutions. Unforgettable experiences.

Today's consumers want to be entertained at all times. Give them just that! Stingray Business' in-store music videos enhance the customer experience in all types of commercial establishments with the hottest and latest hits! Set up a custom music video channel or choose from more than 20 expertly curated channels in all popular categories. Stingray Business can help you create the ideal background for your business!

- Stingray Business' database contains more than 40 000 music videos to enliven your commercial establishment.
- Choose from 30 broadcast-ready music video channels or create your own.
- Each channel is updated every month with 10 to 25 of the latest and hottest music videos.
- Every video is handpicked by our expert music programmers.
- Cleared of inappropriate language, nudity and violence to suit all audiences*.
- Owner of all the necessary licenses to air music videos legally in your store
- Licensing agreements with all major music labels.
- Our music programmers can combine two or more music video channels into one.
- Party playlist: In the mood for something more upbeat? Choose one of our party playlists.

*Please refer to the notice provided within each collection's description
